[PROPOSED] CONSOLIDATED PRETRIAL ORDER

Plaintiff Caradigm USA LLC and Defendant Pruitthealth, Inc ("Pruitt"), by and through their undersigned counsel, submit this proposed consolidated pretrial order.

1.

There are no motions or other matters pending for consideration by the court except as noted:

On October 9, 2017, Pruitt filed a Motion for Clarification of Summary

Judgment Order [Dkt. 93] and a Motion to Withdraw Jury Demand [Dkt. 94]. On

October 17, 2017, Pruitt filed a Motion to Exclude Testimony of Plaintiff's

Proposed Expert Ian Ratner [Dkt. 95]. These motions are not yet submitted;

Caradigm's deadline to respond to Dkts. 93 and 94 is October 23, 2017, and its

deadline to respond to Dkt. 95 is October 31, 2017. No other motions are currently pending, but pursuant to the Court's August 22, 2017 scheduling order [Dkt. 92], the parties will file motions in limine, objections to deposition designations, and deposition cross-designations by November 14, 2017. The parties will file responses to motions in limine and objections to deposition cross-designations by December 8, 2017.

2.

All discovery has been completed, unless otherwise noted, and the court will not consider any further motions to compel discovery. (Refer to LR 37.1B). Provided there is no resulting delay in readiness for trial, the parties shall, however, be permitted to take the depositions of any persons for the preservation of evidence and for use at trial.

Discovery has been completed.

3.

Unless otherwise noted, the names of the parties as shown in the caption to this Order and the capacity in which they appear are correct and complete, and there is no question by any party as to the misjoinder or non-joinder of any parties.

The parties are correctly identified.

4.

Unless otherwise noted, there is no question as to the jurisdiction of the court; jurisdiction is based upon the following code sections. (When there are multiple claims, list each claim and its jurisdictional basis separately.)

This is a diversity case; jurisdiction is based on 28 U.S.C. § 1332(a)(1).

There is no dispute as to jurisdiction.

5.

The following individually-named attorneys are hereby designated as lead counsel for the parties:

<u>Plaintiff</u>: Christopher T. Giovinazzo

Other Parties: None

6.

Normally, the plaintiff is entitled to open and close arguments to the jury. (Refer to LR39.3(B)(2)(b)). State below the reasons, if any, why the plaintiff should not be permitted to open arguments to the jury.

None.

The captioned case shall be tried $(\underline{\hspace{0.1cm}})$ to a jury or $(\underline{\hspace{0.1cm}})$ to the court without a jury, or $(\underline{\hspace{0.1cm}}X\underline{\hspace{0.1cm}})$ the right to trial by jury is disputed.

Pruitt's October 9, 2017 Motion to Withdraw Jury Demand [Dkt. 94] argues that no right to jury exists in this case and a bench trial is warranted. Caradigm opposes Pruitt's motion and will timely respond to assert that the case should be tried to a jury.

8.

State whether the parties request that the trial to a jury be bifurcated, i.e. that the same jury consider separately issues such as liability and damages. State briefly the reasons why trial should or should not be bifurcated.

The parties dispute whether the case will be tried to a jury. To the extent that the case is tried by a jury, no bifurcation is required because liability is already established. This trial is on damages only.

9.

Attached hereto as Attachment "A" and made a part of this order by reference are the questions which the parties request that the court propound to the jurors concerning their legal qualifications to serve.

Subject to the Court's ruling on Dkt. 94, the parties do not request any additions to Judge Jones's standard jury qualification questions.

Attached hereto as Attachment "B-1" are the general questions which plaintiff wishes to be propounded to the jurors on voir dire examination.

Attached hereto as Attachment "B-2" are the general questions which defendant wishes to be propounded to the jurors on voir dire examination.

Attached hereto as Attachment "B-3", "B-4", etc. are the general questions which the remaining parties, if any, wish to be propounded to the jurors on voir dire examination.

The court, shall question the prospective jurors as to their address and occupation and as to the occupation of a spouse, if any. Counsel may be permitted to ask follow-up questions on these matters. It shall not, therefore, be necessary for counsel to submit questions regarding these matters. The determination of whether the judge or counsel will propound general voir dire questions is a matter of courtroom policy which shall be established by each judge.

Subject to the Court's ruling on Dkt. 94, see Attachments "B-1" and "B-2."

11.

State any objections to plaintiff's voir dire questions:

State any objections to defendant's voir dire questions:

State any objections to the voir dire questions of the other parties, if any:

The parties have no objections to each other's proposed voir dire questions.

All civil cases to be tried wholly or in part by jury shall be tried before a jury consisting of not less than six (6) members, unless the parties stipulate otherwise. The parties must state in the space provided below the basis for any requests for additional strikes. Unless otherwise directed herein, each side as a group will be allowed the number of peremptory challenges as provided by 28 U.S.C. § 1870. See Fed.R.Civ.P. 47(b).

The parties do not request additional strikes.

13.

State whether there is any pending related litigation. Describe briefly, including style and civil action number.

There is no pending related litigation.

14.

Attached hereto as Attachment "C" is plaintiff's outline of the case which includes a succinct factual summary of plaintiff's cause of action and which shall be neither argumentative nor recite evidence. All relevant rules, regulations, statutes, ordinances, and illustrative case law creating a specific legal duty relied upon by plaintiff shall be listed under a separate heading. In negligence cases, each and every act of negligence relied upon shall be separately listed. For each item of damage claimed, plaintiff shall separately provide the following information: (a) a brief description of the item claimed, for example, pain and suffering; (b) the dollar amount claimed; and (c) a citation to the law, rule, regulation, or any decision authorizing a recovery for that particular item of damage. Items of damage not identified in this manner shall not be recoverable.

15.

Attached hereto as Attachment "D" is the defendant's outline of the case which includes a succinct factual summary of all general, special, and affirmative defenses relied upon and which shall be neither argumentative nor

recite evidence. All relevant rules, regulations, statutes, ordinances, and illustrative case law relied upon as creating a defense shall be listed under a separate heading. For any counterclaim, the defendant shall separately provide the following information for each item of damage claimed: (a) a brief description of the item claimed; (b) the dollar amount claimed; and (c) a citation to the law, rule, regulation, or any decision authorizing a recovery for that particular item of damage. Items of damage not identified in this manner shall not be recoverable.

16.

Attached hereto as Attachment "E" are the facts stipulated by the parties. No further evidence will be required as to the facts contained in the stipulation and the stipulation may be read into evidence at the beginning of the trial or at such other time as is appropriate in the trial of the case. It is the duty of counsel to cooperate fully with each other to identify all undisputed facts. A refusal to do so may result in the imposition of sanctions upon the non-cooperating counsel.

17.

The legal issues to be tried are as follows:

By the Plaintiff:

- (1) What was the entire value of the Agreement to Caradigm as of the date of Pruitt's breach?
- (2) Should Caradigm be awarded prejudgment interest from the date of Pruitt's breach until today, and if so, at what interest rate?
- (3) Should Caradigm be awarded its reasonable attorneys' fees and expenses, and if so, in what amount?

By the Defendant:

- (1) Whether Caradigm proves to a reasonable certainty that it is entitled to recover damages as a result of Pruitt's anticipatory breach of the Cloud Services Agreement and, if so, in what amount.
- (2) Whether Caradigm's damages, if any, should be reduced due to Caradigm's failure to mitigate and, if so, in what amount.
- (3) Whether Pruitt is entitled to recoupment against Caradigm's damages, if any, due to the unsatisfactory performance of Caradigm and, if so, in what amount.
- (4) Whether the Limitation of Liability provision contained in Paragraph 23(f) of the Cloud Services Agreement limits Caradigm's recoverable damages, if any, in whole or in part.
- (5) Whether Caradigm is entitled to recover attorney's fees and litigation expenses under Paragraph 10 of the Cloud Services Agreement and, if so, in what amount.

18.

Attached hereto as Attachment "F-1" for the plaintiff, Attachment "F-2" for the defendant, and Attachment "F-3", etc. for all other parties is a list of all the witnesses and their addresses for each party. The list must designate the witnesses whom the party will have present at trial and those witnesses whom the party may have present at trial. Expert (any witness who might express an opinion under Rule 702), impeachment and rebuttal witnesses whose use as a witness can be reasonably anticipated must be included. Each party shall also attach to the list a reasonable specific summary of the expected testimony of each expert witness.

All of the other parties may rely upon a representation by a designated party that a witness will be present unless notice to the contrary is given ten (10) days prior to trial to allow the other party(s) to subpoen the witness or to obtain the witness' testimony by other means. Witnesses who are not

included on the witness list (including expert, impeachment and rebuttal witnesses whose use should have been reasonably anticipated) will not be permitted to testify, unless expressly authorized by court order based upon a showing that the failure to comply was justified.

19.

Attached hereto as Attachment "G-1" for the plaintiff, "G-2" for the defendant, and "G-3", etc. for all other parties are the typed lists of all documentary and physical evidence that will be tendered at trial. Learned treatises which are expected to be used at trial shall not be admitted as exhibits. Counsel are required, however, to identify all such treatises under a separate heading on the party's exhibit list.

Each party's exhibits shall be numbered serially, beginning with 1, and without the inclusion of any alphabetical or numerical subparts. Adequate space must be left on the left margin of each party's exhibit list for court stamping purposes. A courtesy copy of each party's list must be submitted for use by the judge.

Prior to trial, counsel shall mark the exhibits as numbered on the attached lists by affixing numbered yellow stickers to plaintiff's exhibits, numbered blue stickers to defendant's exhibits, and numbered white stickers to joint exhibits. When there are multiple plaintiffs or defendants, the surname of the particular plaintiff or defendant shall be shown above the number on the stickers for that party's exhibits.

Specific objections to another party's exhibits must be typed on a separate page and must be attached to the exhibit list of the party against whom the objections are raised. Objections as to authenticity, privilege, competency, and, to the extent possible, relevancy of the exhibits shall be included. Any listed document to which an objection is not raised shall be deemed to have been stipulated as to authenticity by the parties and shall be admitted at trial without further proof of authenticity.

Unless otherwise noted, copies rather than originals of documentary evidence may be used at trial. Documentary or physical exhibits may not be submitted by counsel after filing of the pretrial order, except upon consent of all the parties or permission of the court. Exhibits so admitted must be numbered, inspected by counsel, and marked with stickers prior to trial.

Counsel shall familiarize themselves with all exhibits (and the numbering thereof) prior to trial. Counsel will not be afforded time during trial to examine exhibits that are or should have been listed.

The parties have agreed to mark the Exhibits as follows. This agreement is without prejudice to either party's ability to object to the admissibility of any exhibit.

- Joint Exhibits will be marked starting with the number "1"
- Plaintiff's Exhibits will begin with the number "20"
- Defendant's Exhibits will begin with the number "300"

Attachment "G-0" is the parties' Joint Exhibit List. Attachment "G-1" is Plaintiff's Exhibit list. Attachment "G-2" is Defendant's Exhibit List.

Attachment "J-1" is a list of Plaintiff's objections to the Joint Exhibits and to Defendant's Exhibits. Attachment "J-2" is a list of Defendant's objections to the Joint Exhibits and to Plaintiff's Exhibits.

20.

The following designated portions of the testimony of the persons listed below may be introduced by deposition:

By the Plaintiff:

See Attachment "K-1."

By the Defendant:

See Attachment "K-2."

Any objections to the depositions of the foregoing persons or to any questions or answers in the depositions shall be filed in writing no later than the day the case is first scheduled for trial. Objections not perfected in this manner will be deemed waived or abandoned. All depositions shall be reviewed by counsel and all extraneous and unnecessary matter, including non-essential colloquy of counsel, shall be deleted. Depositions, whether preserved by stenographic means or videotape, shall not go out with the jury.

Pursuant to the Court's August 22, 2017 scheduling order [Dkt. 92], the parties will file motions in limine, objections to deposition designations, and deposition cross-designations by November 14, 2017. The parties will file responses to motions in limine and objections to deposition cross-designations by December 8, 2017.

21.

Attached hereto as Attachments "H-1" for the plaintiff, "H-2" for the defendant, and "H-3", etc. for other parties, are any trial briefs which counsel may wish to file containing citations to legal authority concerning evidentiary questions and any other legal issues which counsel anticipate will arise during the trial of the case. Limitations, if any, regarding the format and length of trial briefs is a matter of individual practice which shall be established by each judge.

The parties jointly request that the parties each be permitted to submit any desired trial briefs seven calendar days before trial.

In the event this is a case designated for trial to the court with a jury, requests for charge must be submitted no later than 9:30 a.m. on the date on which the case is calendared (or specially set) for trial. Requests which are not timely filed and which are not otherwise in compliance with LR 51.1, will not be considered. In addition, each party should attach to the requests to charge a short (not more than one (1) page) statement of that party's contentions, covering both claims and defenses, which the court may use in its charge to the jury.

Counsel are directed to refer to the latest edition of the Eleventh Circuit District Judges Association's Pattern Jury Instructions and Devitt and Blackmar's Federal Jury Practice and Instructions in preparing the requests to charge. For those issues not covered by the Pattern Instructions or Devitt and Blackmar, counsel are directed to extract the applicable legal principle (with minimum verbiage) from each cited authority.

23.

If counsel desire for the case to be submitted to the jury in a manner other than upon a general verdict, the form of submission agreed to by all counsel shall be shown in Attachment "I" to this Pretrial Order. If counsel cannot agree on a special form of submission, parties will propose their separate forms for the consideration of the court.

Attachment "I-1" is Caradigm's proposed verdict form.

Subject to the Court's ruling on Dkt. 94, Attachment "I-2" is Pruitt's proposed verdict form.

Unless otherwise authorized by the court, arguments in all jury cases shall be limited to one-half hour for each side. Should any party desire any additional time for argument, the request should be noted (and explained) herein.

No such request.

25.

If the case is designated for trial to the court without a jury, counsel are directed to submit proposed finding of fact and conclusions of law not later than the opening of trial.

26.

Pursuant to LR 16.3, lead counsel and persons possessing settlement authority to bind the parties met in person on September 26 2017, to discuss in good faith the possibility of settlement of this case. The court $(__X)$ has not discussed settlement of this case with counsel. It appears at this time that there is:

(_) A good possibility of settlement
(_) Some possibility of settlement.
X	_) Little possibility of settlement.
() No possibility of settlement.

27.

Unless otherwise noted, the court will not consider this case for a special setting, and it will be scheduled by the clerk in accordance with the normal practice of the court.

Pursuant to the Court's August 22, 2017 scheduling order [Dkt. 92], the parties have agreed and the Court has directed that "[t]he case will be set for the

next available civil trial calendar after October 17, 2017."

28.

The plaintiff estimates that it will require <u>2</u> days to present its evidence. The defendant estimates that it will require <u>2</u> days to present its evidence. The other parties estimate that it will require <u>N/A</u> days to present their evidence. It is estimated that the total trial time is <u>4</u> days.

29.

IT IS HEREBY ORDERED that the above constitutes the pretrial order for the above captioned case (____) submitted by stipulation of the parties or (____) approved by the court after conference with the parties.

IT IS FURTHER ORDERED that the foregoing, including the attachments thereto, constitutes the pretrial order in the above case and that is supersedes the pleadings which are hereby amended to conform hereto and that this pretrial order shall not be amended except by Order of the court to prevent manifest injustice. Any attempt to reserve a right to amend or add to any part of the pretrial order after the pretrial order has been filed shall be invalid and of no effect and shall not be binding upon any party or the court, unless specifically authorized in writing by the court.

IT IS SO ORDERED this _	day of	, 2017.

STEVE C. JONES United States District Court Judge Each of the undersigned counsel for the parties hereby consents to entry of the foregoing pretrial order, which has been prepared in accordance with the form pretrial order adopted by this court.

- 1. Does anybody here have any strong opinions about our legal system, and in particular about lawsuits seeking compensation when someone breaches a contract?
- 2. Does anyone here believe businesses should never resolve their disputes in court?
- 3. Who here feels, whether for religious or other personal reasons, that they might have difficulty awarding monetary damages for a breach of contract, regardless of the law?
- 4. Plaintiff Caradigm is owned by General Electric and began as part of Microsoft. Does anyone here feel they may have a difficult time being impartial in a case like this involving these large corporations?
- 5. Defendant PruittHealth operates skilled nursing facilities in Georgia and elsewhere. Does anyone here know anyone who is a resident or patient of a PruittHealth facility?

- 6. Does anyone here work in the medical profession or in any healthcare-related job?
- 7. If so, do you work with electronic medical records? In what way do you work with electronic medical records systems? Which software do you use?
- 8. Does anyone here have any experience (in your job or otherwise) negotiating, purchasing, programming or installing any electronic medical records system or software?
- 9. Does anyone here have any experience (in your job or otherwise) negotiating, purchasing, programming, or installing any major software system—not like Microsoft word—but large company-wide software system, like enterprise or database, or the like?
- 10. Does anyone here have any experience (in your job or otherwise) where you negotiate or commit to major contracts, for instance contracts that involve hundreds of thousands or millions of dollars and long-term commitments?
- 11. Has anyone here ever spent a significant amount of time researching a possible agreement or negotiating the specific terms and pricing before entering into an important contract?
- 12. Who here has any opinions whatsoever about this case? What are your opinions?
- 13. Have you or any member of your family or close friends ever been sued or brought a lawsuit? If so, please briefly explain the nature and the circumstances of the lawsuit and whether you were satisfied with the outcome.
- 14. Do you know any other member of the jury panel here in this courtroom? If yes, who do you know? If the answer is yes, and if you were both selected for the jury in this case, how would the fact that you know the other juror affect your ability to be impartial in this case?

ATTACHMENT "C" PLAINTIFF'S SUMMARY OF THE CASE

I. Succinct Summary of Plaintiff's Cause of Action.

This is a breach of contract action by Plaintiff Caradigm against Defendant PruittHealth ("Pruitt"). Caradigm is a technology company that designs complex software for healthcare providers. In 2012, Pruitt, a privately-held nursing home company, sought a company-wide IT solution to improve its use of its own healthcare data. After an extensive due diligence period, Pruitt selected Caradigm, and the parties executed a three-part Agreement on June 25, 2013. The Agreement called for an official project kickoff meeting, followed by a six to seven month implementation and a five-year subscription period.

After over a year of delays by Pruitt, Pruitt terminated the Agreement before the project officially kicked off. As explained in the Court's May 30, 2017 Order, at the time of termination, Pruitt had provided Caradigm no notice of any alleged breach; Caradigm had in fact committed no breach; Pruitt had no right to terminate; and its termination breached the Agreement. Thus, this trial concerns only the amount of damages Pruitt owes Caradigm for its breach. Those damages are the entire value to Caradigm of the Agreement as of the date of Pruitt's breach, plus interest and fees.

- All authorities relied upon by Plaintiff in its prior pleadings.

- III. Damage description, amount claimed and legal support.
 - A. <u>Actual/Direct contract damages</u>. Caradigm's direct contract damages equal the entire present value of the Agreement to Caradigm as of Pruitt's February 17, 2015 breach of contract. This entire value (discounted for the time value of money) is the sum of Pruitt's contractually-required payments to Caradigm, less (a) the amount Pruitt already paid Caradigm and (b) the costs Caradigm avoided because of Pruitt's breach. Caradigm's direct contract damages are approximately \$5.1 million.
 - **B.** Prejudgment interest. Pruitt owes interest on the entire contract value running from the date those damages became due (February 17, 2015) until judgment. Under the Agreement, Pruitt owes 1.5% monthly interest on any amounts the jury finds to be "late." Alternatively, the jury may award statutory prejudgment interest at the legal rate of 7%. *See* O.C.G.A. §§13-6-13 and 7-4-2. As of October 17, 2017, the interest Pruitt owes on Caradigm's direct damages is approximately either \$3.1 million or \$950,000, depending on the applicable interest rate. Interest continues to accrue.
 - C. <u>Attorneys' fees and expenses</u>. Under the Agreement, Pruitt must pay Caradigm's "reasonable costs (including attorneys' fees) relating to

collection of past due amounts." The entire value of the Agreement became due on February 17, 2015, meaning Pruitt's balance owed to Caradigm for the Agreement's entire value is past due. Pruitt likewise owes Caradigm's reasonable fees and expenses because Pruitt has been stubbornly litigious and has unreasonably and vexatiously multiplied these proceedings. *See* O.C.G.A. § 13-6-11 and 28 U.S.C. § 1927. As of the time of this filing, Caradigm's reasonable fees and expenses are approximately \$1,200,000. Caradigm continues to incur additional fees and expenses.

Postjudgment interest. Pruitt owes postjudgment interest running from the date of judgment at either 1.5% per month (per the Agreement) or at the legal rate of 7% per year. See O.C.G.A. §§ 7-4-12 (a) and (b).

ATTACHMENT "D" DEFENDANT'S OUTLINE OF THE CASE

Caradigm contracted to provide certain software licenses and custom software development and implementation services to PruittHealth, in exchange for which PruittHealth agreed to make certain payments. The Court has ruled earlier that PruittHealth anticipatorily breached its contract with Caradigm by notifying Caradigm that it would not be moving forward with the software project, without following the notice and cure and termination provisions of the contract. Georgia law provides that Caradigm may recover damages from PruittHealth only if it can establish damages proximately flowing from PruittHealth's breach to a reasonable certainty. Further, because PruittHealth was not required to make certain payments under the terms of the contract until Caradigm's software

implementation satisfied PruittHealth, Caradigm is required to prove to a reasonable certainty that it would have performed under the contract had PruittHealth not breached.¹

I. The Parties.

PruittHealth is a healthcare provider that operates home health, skilled nursing facilities, and hospice agencies throughout the Southeast. Like many healthcare providers, it stores patient data in multiple, separate software systems, often making it cumbersome to review all pertinent patient information when providing treatment or services, for example when making patient care decisions or communicating a patient's history to a family member or another healthcare provider.

Caradigm, a software company, represented to PruittHealth that it had a solution to that challenge—a solution that could pull PruittHealth's patient data from various medical record systems and make it available as a single viewable record for each patient (a "comprehensive patient summary" or "longitudinal patient view"). To do so, Caradigm would have to provide robust patient matching

¹ See Textile Rubber & Chem. Co. v. Thermo-Flex Techs., Inc., 301 Ga. App. 491, 495 (2009) (when "the promise to pay is contingent upon the occurrence of a future event as well as the arrival of a future time, it is not an unconditional promise to pay until the issue of fact – whether or not the event will take place – can be determined with reasonable certainty." (quoting Cont. Cas. Co. v. Stephenson, 112 Ga. App. 666, 667-68 (1965))).

to marry up records concerning a given patient from different medical record systems and different visits within the same system. Because PruittHealth wanted to enhance the quality of patient care and provide significant efficiencies in the workplace, PruittHealth entered into a customized software implementation contract with Caradigm.

II. The Caradigm-PruittHealth Agreement.

The contract is comprised of several different documents: a Cloud Services Agreement dated June 25, 2013, as amended by Amendment No. 1 dated July 31, 2014; a Cloud Services Order dated June 25, 2013; a Statement of Work of the same date; and, Caradigm's Cloud Services Policy Rev. 1 (collectively, the "Agreement").

The Agreement is not a contract with a defined value or fixed duration.

Rather, the Cloud Services Order provides that the Agreement is structured to require the payment of phased monthly subscription fees (tied to enumerated benchmarks) plus certain fixed fees associated with professional services. The Agreement anticipates two distinct phases. The first phase is an installation and development phase with fees ranging from \$20,000.00 to \$24,000.00 per month.

The second phase of the Agreement involves significantly higher fees, pegged at \$84,649.00 per month, which would begin to accrue only after the parties achieved

"First Productive Use" – a term defined by the Cloud Services Agreement as "the first time [PruittHealth] uses the Cloud Services to process actual patient data in a live production environment."

The Agreement provides that whether First Productive Use is achieved depends upon PruittHealth's satisfaction with the customized software implemented by Caradigm. The Cloud Services Agreement provides for PruittHealth's right to test the "Customer Use Cases" (i.e., the functionality of Caradigm's customized software solution) before First Productive Use. The testing provision provides that "[w]ith regard to Customer Use Cases, [PruittHealth] will notify Caradigm when testing has been satisfactorily completed and [PruittHealth] is ready to move the Customer Use Case to the production environment." First Productive Use takes place only once a Customer Use Case moves to a live production environment after testing. Unless PruittHealth is satisfied with the results of the testing of the Customer Use Cases, First Productive Use does not occur.

The Statement of Work provides a comprehensive description of the implementation services Caradigm agreed to deliver to PruittHealth. Among the services detailed by the Statement of Work are five Customer Use Cases Caradigm agreed to implement to meet PruittHealth's specific needs. Each Customer Use

Case required the implementation of the longitudinal patient view, which, in turn, depended upon robust patient matching.

PruittHealth's electronic medical records contain diverse and uncorrelated data scattered among disparate source systems, making patient matching decidedly more complex. Caradigm was well aware of this issue prior to the execution of the Agreement. As both parties acknowledge, PruittHealth sought to achieve a longitudinal patient view to assist in providing patient care, to facilitate communication between PruittHealth facilities, and to effect a streamlined billing process and financial review.

III. Procedural History.

After a series of delays in commencing the software project consented to by both parties, and without any significant work having been completed by Caradigm to implement software to effect a solution to PruittHealth's data problem, PruittHealth unilaterally terminated the Agreement due to its concerns about Caradigm's ability to perform and to provide adequate patient matching on PruittHealth's data to meet PruittHealth's needs. At that time, PruittHealth was current on all invoices issued by Caradigm. Indeed, PruittHealth paid approximately \$320,000 for Caradigm's services and licenses through March 2015. Thereafter, Caradigm filed this lawsuit claiming that PruittHealth prematurely

terminated and breached the Agreement. The Court ruled in favor of Caradigm, finding PruittHealth anticipatorily breached the Agreement and reserving the issue of possible damages for trial.

In its Order on summary judgment, the Court reviewed Caradigm's claim that its damages should be measured as the entire value of the Agreement. The Court observed that while Georgia law generally provides that the entire value of a contract is due after an anticipatory breach thereof, the entire value of the Agreement was not ascertainable at the time of PruittHealth's breach. Rather, the Court recognized that the Agreement required PruittHealth to make certain payments only after Caradigm customized and implemented the CIP software and Customer Use Cases to the satisfaction of PruittHealth and First Productive Use was reached. The Court held that normal damages principles will apply at a trial on damages, including Georgia law's bar on speculative recoveries.

IV. <u>Issues Remaining to be Tried on Damages.</u>

A. The Value of the Agreement.

Caradigm must satisfy several requirements to prove the value of the Agreement. First, Caradigm must establish to a reasonable certainty that, had PruittHealth not breached the Agreement, Caradigm would have implemented software that would have subjectively satisfied PruittHealth according to the

requirements of the Agreement. Because sufficient patient matching undergirds each of the Customer Use Cases required by the Agreement and Caradigm promised patient matching to PruittHealth as a part of the Agreement, Caradigm must prove to a reasonable certainty that it could have performed patient matching on PruittHealth's data such that it would have satisfied PruittHealth.

Second, Caradigm also must prove the calculation of its claimed damages in a manner sufficient to permit the trier of fact to find the amount of those damages to a reasonable certainty. Even if Caradigm is able to establish to a reasonable certainty that its implementation of the Customer Uses Cases would have been able to subjectively satisfy PruittHealth, it also must prove when it would have satisfactorily performed and when First Productive Use would have occurred such that the trier of fact would be able to ascertain Caradigm's damages to a reasonable certainty.

Third, even if Caradigm can prove its damages to the requisite degree of reasonable certainty, those damages must be offset by the costs Caradigm avoided in being excused from its own performance under the Agreement by virtue of PruittHealth's unilateral termination of the contract. Specifically, any revenue lost by Caradigm must be reduced by both Caradigm's avoided costs in not having to perform and the \$319,414.56 in payments already made by PruittHealth.

Fourth, Caradigm must demonstrate that it mitigated its damages as far as was practicable by the use of ordinary care and diligence after PruittHealth canceled the Agreement. Furthermore, Paragraph 23(f) of the Cloud Services Agreement provides in relevant part that "[n]either [PruittHealth] nor Caradigm will have liability to the other under this agreement for any punitive, incidental, consequential, or other indirect damages, including loss of profits or revenues" Caradigm must prove that it is entitled to recover damages from PruittHealth despite the limitation of liability clause contained in the Agreement.

B. Monthly Interest Under the Agreement.

Caradigm also claims that it is entitled to 1.5% monthly interest under

Paragraph 10 of the Cloud Services Agreement. However, in its Order on
summary judgment, the Court held that Caradigm "is not entitled to 1.5% interest
on anything," noting that the Agreement provides for the recovery of interest only
on "late amounts" or "past due amounts." Reasoning that amounts become late
under the terms of the Agreement "only if not paid 'within 30 days after the
invoice amount" and finding that "Pruitt timely paid all amounts for which
Caradigm sent it an invoice," the Court concluded that the Agreement's interest
provision does not apply because PruittHealth "never submitted a 'late payment' as
that phrase is commonly understood."

C. Attorney's Fees Pursuant to the Agreement.

Finally, Caradigm seeks in its Complaint to recover its attorney's fees pursuant to Paragraph 10 of the Cloud Services Agreement.² To recover its attorney's fees under the Agreement, Caradigm must establish that this action "relat[es] to collection of past due amounts." For the same reasons articulated in the Court's Order on summary judgment as to interest (*i.e.*, PruittHealth timely paid all amounts for which Caradigm sent it an invoice prior to this dispute), Caradigm's damages, if any, are not "past due amounts" and it is not entitled to its attorney's fees under the Agreement.

² Caradigm also alleged in its Complaint that it is entitled to fees under 28 U.S.C. § 1927, which permits the Court to sanction counsel for "unreasonably and vexatiously" multiplying the proceedings in a case. To the extent that Caradigm still intends to pursue this relief, which would be for the Court to decide by motion, Caradigm cannot make the required showing and is not entitled to sanctions under this statute.

ATTACHMENT "E" FACTS STIPULATED BY THE PARTIES

- 1. The parties executed an enforceable Agreement on June 25, 2013 consisting of the Cloud Services Agreement (Joint Ex. 1), the Order (Joint Ex. 2), and the Statement of Work (Joint Ex. 3).
- 2. The parties executed an enforceable Amendment to the Agreement on July 31, 2014 (Joint Ex. 4).
- 3. Pruitt terminated the Agreement as amended on February 17, 2015.
- 4. The Agreement called for Pruitt to begin paying \$20,000 per month for a Development License beginning June 25, 2013. However, the parties subsequently agreed that Caradigm would not begin charging for the

- Development License until October 1, 2014. Thus, Pruitt's Development License payment obligations began on October 1, 2014.
- 5. Pruitt paid Caradigm \$319,414.56 under the Agreement prior to

 Caradigm filing this lawsuit. Pruitt has not paid Caradigm any amount thereafter.
